

PUT YOUR THINKING CAPS ON... THE TIMES INTER SCHOOL QUIZ IS HERE!

NUMBERNAGAR®

NumberNagar® - Learn it right the first time

presents

TIMES INTER SCHOOL

The city of Bengaluru is all set to host the premiere edition of one of the most popular interschool quiz competitions. The preliminary rounds of the eagerly anticipated event will begin soon at several top schools across the city. This unique knowledge initiative by the Times Group is all set to attract the brightest minds across leading education institutions in Bengaluru, to test their mental mettle.

Sponsored by NumberNagar®, the competition will see the participation of students from 4th-10th grade from over 60 renowned schools of Bengaluru. NumberNagar® believes in creating meaningful learning experiences for students across different age group

with their 5C™ methodology. NumberNagar® is a creative learning space that enhances the learning skills of the students and this event is in line with their core belief that every child should get an opportunity for an overall development of their personalities during their formative years at school.

The Prelim Round will be a pen and paper round, where every team of 3 members is given a question paper to answer in 30 minutes. Being a general quiz, the topics range across important subjects like science and technology, history, India and its heritage, current affairs, sports and entertainment, personalities and more.

The winning teams from each school

will qualify for the grand semi-final, and the top six teams overall will compete in the grand finale scheduled in the second or third week of September 2019.

Apart from the prestige of participating in this quiz, the winners will receive an attractive cash prize of Rs. 1 lakh, while the 1st and 2nd runners up will get Rs. 50,000 and Rs. 25,000 respectively. The winning and runners-up team of the TIMES INTER SCHOOL QUIZ 2019 will receive trophies for permanent display at their school along with coverage in Times of India.

- Teams of 3 members
- For students from std. 4th- 10th across any discipline
- 30 minute preliminary test
- Winning teams will qualify for grand semi-final
- 6 teams will compete in the grand finale
- Attractive cash prizes up to Rs. 1 lakh to be won

Be a part of this momentous competition that celebrates knowledge and sets the brightest minds apart from the rest. If your school has not yet signed up for this one of a kind event, hurry and register to confirm your participation. The preliminary round can be held at your school any day between 29th August - 10th September 2019, between 9.30 AM - 4.30 PM.
